

hello

SKIP A PAY

Skip that loan payment when you could really use some
"JUST FOR FUN CASH"

This is your chance to keep a little just for fun cash with a June Deferment on WesTex Federal Credit Union loans. Simply meet a few requirements and enjoy some extra spending money!*

- You must have made at least one full monthly payment on your loan and your loan must be current. (This includes all add-on loans. Any loan advance made after 05-01-23 is ineligible.)
- Your checking account balance must not be overdrawn. Your savings account must not be under the minimum \$5.00.
- If you have a MasterCard, through WesTex, it must be current.
- If your loan has a co-signer/co-applicant, both parties must sign this form.
- This form must be received **no later than May 19, 2023** in order to process your request to skip a payment.
- WesTex reserves the right to deny a Skip-A-Payment request.

Remember, the Skip-A-Payment option in no way alters the terms and conditions of your original contract. Interest at the agreed rate will continue to accrue on the unpaid balance of your loan. Loan payments made by payroll deduction will be deposited to your share account each payday upon your request.

I understand and agree with the above conditions and request that you skip my June payment(s) on my eligible loan(s). I also understand and agree that my payment(s) will resume in July. I will assume approval unless otherwise notified by the Credit Union.

*THIS OFFER IS NOT AVAILABLE ON MASTERCARD, HOME EQUITY, MORTGAGE, RECREATIONAL VEHICLES AND TERM LOANS.
